April 29, 2018

1. God Created an Image of Himself

2. God's Image Is to Be a True Reflection

3. God is Good to His Image

4. God's Image Faces the Wrong Direction

5. After our first parents turned from trusting the Father to trusting themselves they felt shame. What is shame and why did they experience it? What does this tell us about humanity's biggest problem and God's solution?

6. How does the work of Jesus remove shame and restore dignity?

5. Distorted Images Replicate Distortion

2. Since we are made in the image of God, what might the above answer suggest should people recognize in us as image bearers?

6. Who Can Break the Distortion and Reform the Image?

3. What are some of the ways that God showed his fatherly goodness to Adam and Eve?

Questions for reflection and application

Take some time to go through these questions with your life group, close friend, around the dinner table, or in your morning devotions.

1. Can you think of a time when someone recognized you because of similarities between you and your parent or child?

4. What are some of the ways God has shown you his fatherly goodness?
