Questions for Reflection and Application

1.) Jesus became flesh. The Latin word for flesh is *carnes*. Jesus truly *incarnated* so that we could encounter God's glory (goodness). What does it mean that Jesus incarnated (became like one of us)? See Heb 4:15; Isa 53:3; 63:9; Phil 2:5-11.

1.) Christ Became Like Us (1:14)

2.) Read Hebrews 2:14-15. According to this passage, why did the Word incarnate? If the Word added to himself a human nature (100% man and 100% God), what percentage of your human nature can Jesus redeem?

2.) Christ Dwelt With Us (1:14)

3.) In John 1:16, we read that we have received from his fullness waves of grace. Is there any lack of grace available to the believer?
