“That You May Believe”
Born Again
John 3:1-8
Pastor Matt Kottman
September 16, 2018

1.) The Spirit Draws People (3:1-2)

2.) The Spirit Brings New Birth (3:3-7)

3.) The Spirit Is Unseen But His Work Is Seen (3:8)

Questions for Reflection and Application

1.) How did the Spirit of God begin to call you to new birth?

2.) Has the conversion of anyone ever surprised you? What does that tell you about your view of salvation?

3.) Since new birth comes by the Spirit, how should that impact the way we share the gospel?

4.) Is there someone you can be praying for this week that the wind of the Spirit might blow on them that they might become born again?

5.) In sharing with people about Jesus do you put more confidence in your ability to share the gospel (or foul it up) than you do in Jesus' power to save by his Spirit? If so, how can you counsel yourself in truth to put greater confidence in the Spirit than yourself? Trusting the Spirit to work, who can you share the gospel with this week?
