Questions for Reflection and Application

1. Describe a recent storm you experienced in your life? Could you see how Jesus entered your storm?

2. Read Romans 8:34 and Hebrews 7:25. What encouragement might these passages bring in your hardships? What does it tell you about Jesus constant attention to us (especially in our time of need)?

3. Read Psalm 69:1-3. Although we don't know the specifics, what is the Psalmist experiencing? Have you ever felt this way?

4. Read Psalm 69:13-17 and 69:29-36. How does the Psalmist respond to his storm? Where does he look for hope (69:13-17)? Does the Psalmist express hope (69:29-36)? How does the Psalmist's prayer instruct you?

5. Spend some time praying for one another in regards to seeing Jesus' presence in our storms.
