Questions for Reflection and Application

1. What have you found to be ordinary about Solid Rock? What have you found to be extraordinary? What makes any church extraordinary?
2. Read 1 Cor 2:2. Paul preached in Corinth for 18 months and he made Christ crucified the center of all he said. Why is this important? What can easily happen to any church that does not have this focus?
3. We learned how we are an intergenerational family. How did the Lord challenge your view of the church in light of this? What are some of the things in our culture that work against being intergenerational?
4. What is something that you have learned from an older saint or a younger saint? What was impactful about this lesson?
5. As a church we are *expositionally dedicated* (2 Tim 4:2). Why is it important to teach the Scriptures rather than use the Scriptures to teach?
6. How is God stirring you to love the local church and become a bigger part of what God is doing through your church?
