As Christians, we know God wants us to be in his Word but sometimes we struggle with knowing where to start. Or we start but then we get confused, and we don't feel like we're understanding what we're reading. Then we get discouraged and stop. This interactive and hands-on class will teach you the most important and effective ways to really understand God's Word. And we'll spend time practicing these new skills as a group. When you complete this class, you will have the tools and the experience to grow in your ability to read and study and understand the Scriptures.
