### **Taking It Home**

1. If you're a parent or grandparent, how can you model "sincere faith" this week—not just in words, but in actions? If you're not a parent, who in your life could benefit from your spiritual investment? How might God use you to influence someone's faith journey?
2. Are you assuming your children (or those you influence) are saved because they know the right answers? How can you lovingly call them to personally trust in Christ?
3. What does it mean for you to "own your faith"? Where is the Holy Spirit prompting you to grow in personal obedience, prayer, or Scripture dependence this week?
